Flexible industrial & logistics opportunities

YOUR DESIGN

# DELIVERED

You're in good company

Welcome to Prologis Apex Park – a successful, established industrial and logistics park only 9 miles from Junction 16 of the M1. The final remaining DC11 plot offers 'build to suit' opportunities up to 91,000 sq ft. Over the following pages, we'll explain why Prologis Apex Park is the ideal location for your Midlands distribution facility.

YOUR LOGISTICS

# REIMAGINED

The final plot at Prologis Apex Park can provide a 91,000 sq ft distribution warehouse. If your business is looking to relocate or expand, we can tailor our offering to meet your needs.

# YOUR EXPECTATIONS EXCEEDED

When you choose a Prologis building, you choose a building that gives you an operational advantage. At Prologis Apex Park not only will you get a building tailored to your needs, you'll get a space that works as hard as you do. That's because, over the past twenty years, we've been leading the way in developing innovative, sustainable buildings, designed with the operational needs of your business in mind. Occupying a building that's both smart and sustainable can help you attract and retain employees and provide you with valuable data that helps you manage operational costs such as lighting.

# YOUR MILES MINIMISED

Prologis Apex Park is in the ideal location for serving both London and the Midlands. It is strategically located approximately 1.5 miles north of Daventry town centre, adjacent to the A45 with access to the M1, M40 and M45 motorways via the A45 and A361 trunk roads.

The M1 provides direct access to the M25 / London to the south and Leeds / Scotland to the north. The M6 serves Birmingham and the north west of the UK, whilst the A14 provides access to Felixstowe, one of the UK's largest deep sea-ports.

Daventry International Rail Freight Terminal is also within 7 miles, providing direct access to major UK and European destinations. Luton, Birmingham and East Midlands International Airports are all situated within a 1 hour drive time, the latter being Britain's largest dedicated air freight hub.

# YOUR PERSONNEL PRIORITISED

We know that people make your business what it is and that attracting and retaining those people is important to you. Prologis Apex Park is located in an area with a labour pool ideally suited to the industrial and logistics sector. What's more, the Park is well-served by local bus routes, making it easier for your staff to get to and from work. The quality of the buildings and Park environment will also aid staff retention by helping to make your business a great place to work.

“ From initial meetings, to handing over the completed unit, the Prologis UK team made the whole process as easy as possible. Regular project meetings allowed for a high level of collaboration and adaptability, with our operational needs always front of mind. The project team’s openness allowed us to make changes to the design specification to ensure that the building would work for Hankook both today and long into the future. The Prologis team were professional and had excellent attention to detail, working closely with our team and external advisors to ensure the project was a success and resulting in the early delivery of a very high-spec building with an excellent quality finish. ”

Chang Yool Han, Managing Director of Hankook Tyre UK

YOUR WORLD  
PROTECTED

**We know that sustainability is important to you and your customers. That's why, if you choose Apex Park as your home, you'll get a building that delivers real change – both for your business and the environment.**

Every sustainability feature we introduce in our buildings and parks is based on sound principles that deliver operational and environmental benefits. We also put people at the heart of our sustainability offering, focusing on ways to enhance employee wellbeing through the provision of comfortable temperatures, access to daylight and connection to nature through green spaces both in and around our buildings.

You'll also be pleased to know that your new building will be delivering environmental benefits before you've even moved in: protecting an area of rainforest five times its built area, educating local school children about climate change and delivering measurable social value in the local community.
