# About Prologis

## Beyond the Building

Prologis is the world's leading developer and owner of industrial and logistics real estate and a trusted partner to some of the world's best-known organizations. We want to help our clients succeed. We are committed to doing this at a global and local level. Around 2.8% of global GDP flows through our buildings, and thanks to our global reach, our corporate culture and the desire to be a driving force in the areas where we are based and where we build, we strive to create a better future.

The data relates to properties that Prologis owns on a consolidated basis or through unconsolidated joint ventures, through interests in real estate and ventures, through interests in real estate and development projects as of March 31, 2025.

## Fact about Prologis Germany

Prologis is one of the leading providers of industrial real estate in Germany - specializing in the project development of properties for the logistics sector. Our customers have a wide range of first-class warehouses and distribution centers at their disposal.

Locations in logistics hotspots such as Hamburg, Munich, Hanover, Augsburg, the Rhine-Ruhr region and the Rhine-Main area ensure optimal access to Europe's major transportation routes.

Prologis also has numerous vacant sites in attractive locations in Germany for the project development of tailor-made real estate

Expand your warehousing potential with integrated, turnkey solutions that maximize efficiency and boost productivity.

## Operations

### 100% support during planning and implementation

- Solution design, approval process and project management
- Advantages: Saving of resources, optimization of process costs in operations, also an important step towards (partial) automation

### Storage systems (purchase, rental)

- Cost-effective used or new pallet racks with worldwide framework conditions with Still, Stow and Jungheinrich

- Standard racks, shelves or Picketowers. You can purchase them at top prices or rent them (short-term periods possible + no dismantling obligation).
- Specialized storage solutions and vendor-neutral automation consulting now also available in-house

### Forklifts and machinery (purchase, rental, leasing)

- Top conditions and key account status for all Prologis customers
- Purchase, leasing or rental of used vehicles as well

### Data cabling (purchase, rental)

- Basic structure can also be rented incl. no dismantling obligation
- Individual fine structure, e.g. access points, etc. for purchase

### All other solutions required (purchase, financing)

- Prologis takes care of sourcing and advance performance
- Simple collective billing after move-in
- Financing options for investment-intensive topics (from 200K) via ext. partners or ASTI

### Move Out and Make-Ready from the current non-Prologis warehouse

- Attractive purchase prices for equipment no longer required
- Conversion, transport, assembly, approval of existing equipment in the Prologis warehouse
- dismantling, repair and relocation management through a framework agreement (as with a general contractor)
