We have units available from 13,820 - 146,120 square feet – each built to the same high standard and quality for which Prologis is renowned.

For maximum flexibility, DC2 can be leased as three individual units or as two or three units combined. Likewise, DC3 and DC4 are also available to lease as individual units or combined and leased as a larger unit. The choice is yours!

Further details on unit layouts can be found in our Technical Pack or website prologis.co.uk/PPB

At Prologis we make more than buildings, we make places where businesses can grow and employees can thrive. Prologis Park Beddington will be a first class business environment, but it's not just about the physical space, our customer focused approach and in-house teams will be on-hand for the long-term to understand your needs and help you take your business forward.

“For Dwell, this new Prologis building is a game changer.”

We need a distribution centre like this to make sure we can deliver the service our customers expect. For Dwell, this new Prologis building is a game changer.

PARKlife

We know you want to be free to look after the things that matter most. That's why, when you move your business to a Prologis Park, we give you access to our dedicated Property Management Team and a range of Park Services designed to make life easier for you. From Park security and maintenance through to gritting the estate roads and helping you get employees to and from work, our team will help you take care of business and maintain your competitive advantage.

The scale of our Prologis Parks means we can also offer additional services like snow clearance and cleaning that would be unviable at a single unit or smaller scheme. Pooling resources means we can buy in bulk and offer the savings to our collective customers.

When you choose a Prologis building, you choose a building that gives you an **operational advantage.**

At Prologis Park Beddington not only will you get a building you can tailor to your needs, you'll get a space that works as hard as you do.

That's because, over the past twenty years, we've been leading the way in developing innovative, sustainable buildings, designed with the operational needs of your business in mind.

Occupying a building that's both smart and sustainable can help you attract and retain employees and provide you with valuable data that helps you manage operational costs such as lighting.

The EPC target for the buildings at Prologis Park Beddington is A.

For access to labour

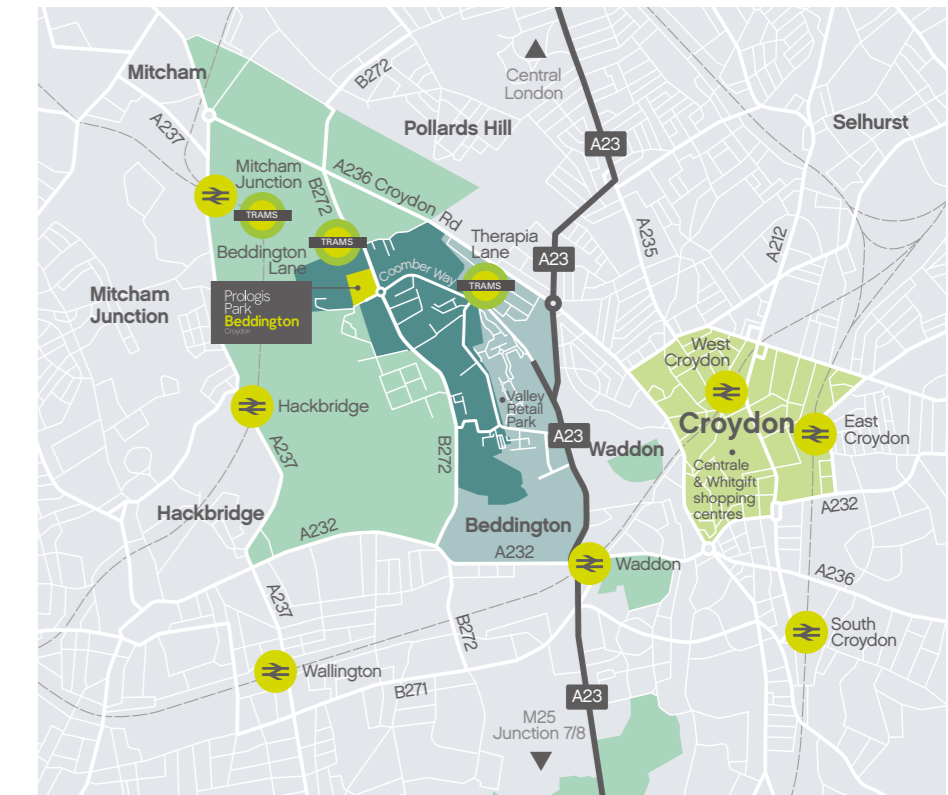

Croydon and Sutton has an ideal labour pool for the logistics sector.

We know that people make your business what it is and that attracting and retaining those people is important to you.

Prologis Park Beddington is located in an area with a labour pool ideally suited to the industrial and logistics sector. What's more, the Park is well-served by local tram and bus routes, making it easier for your staff to get to and from work.

The quality of the buildings and Park environment will also aid staff retention by helping to make your business a great place to work.
