PROLOGIS PARK MOERDIJK DC3 / COUNTRY MAP

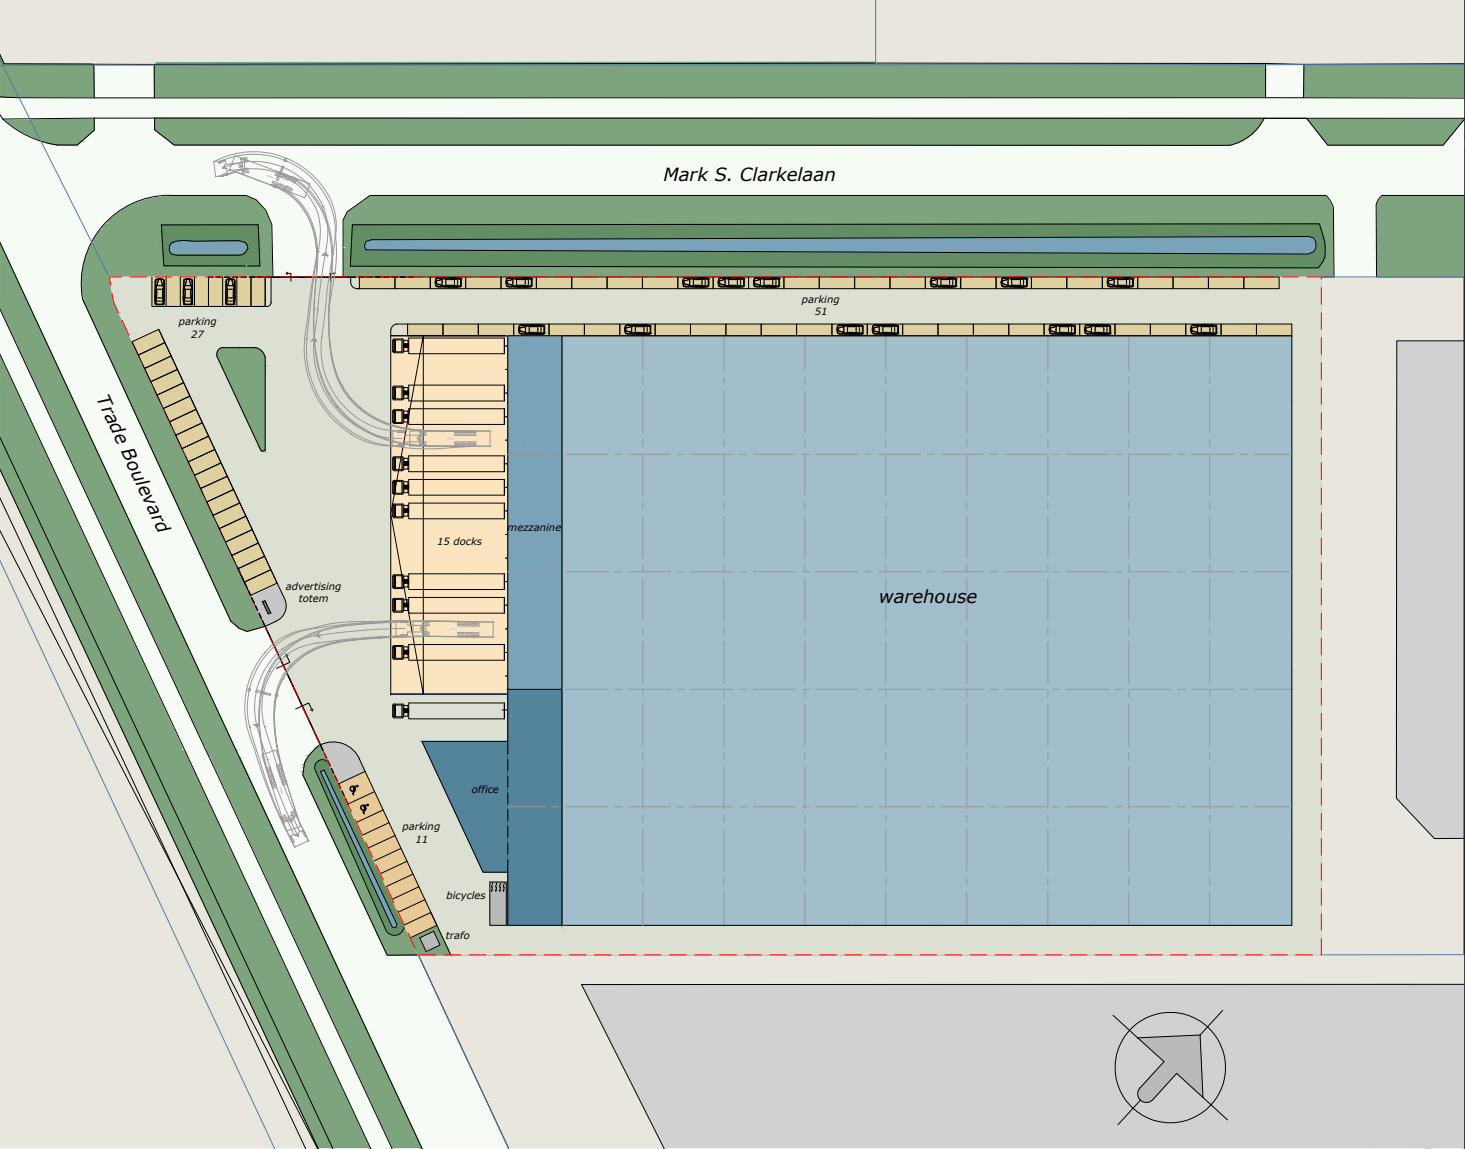

Location

Prologis Park Moerdijk DC3 is strategically located on the Tradeboulevard in Moerdijk and is part of the Moerdijk industrial area. Moerdijk is located between the seaports of Rotterdam and Antwerp and has multimodal facilities by land, rail and water. The business park is characterized by a diversity of activities in both production, trade and logistics spheres. Moerdijk DC3 is located less than two minutes from the entrance and exit to and from the A17 (Roosendaal – Moerdijk), from where the A16 (Antwerp – Rotterdam) is easily accessible.

Prologis Essentials

For easy set up and smooth operations

When it comes to getting your warehouse up and running, we've got you covered.

Prologis Essentials is the first complete warehouse solutions platform that lets you run, optimize and grow your business; how, when and wherever you want.

It conveniently brings you all the set-up and operational equipment needed for a cost effective, quick and care-free start. It is your source for replacements, upgrades or temporary solutions as well – making life easier and giving you back valuable time.

FORKLIFTS

An easy and cost-effective solution for preconfigured forklifts, reach and pallet trucks, from our world-class partners.

RACKING

The right racking system to suit your needs – a fast and easy service that makes arranging racking simple.

SOLARSMART

Harness green energy and benefit from onsite power while reducing your carbon footprint.

LED LIGHTING

Efficient and reliable upgrade to 'smart' lighting with movement and daylight controls at an incredibly low price.

WAREHOUSE ROBOTS

Transform your fulfilment and order picking with efficient, multi-bot systems to suit all needs.

SAFETY

Durable protective gear to help look after people, materials, fittings and equipment in any warehouse environment.
