Expand your warehousing potential with integrated, turnkey solutions that maximize efficiency and boost productivity.

Operations

100% support during planning and implementation

- Solution design, approval process and project management
- Advantages: Saving of resources, optimization of process costs in operations, also an important step towards (partial) automation

Storage systems (purchase, rental)

- Cost-effective used or new pallet racks with worldwide framework conditions with Still, Stow and Jungheinrich

- Standard racks, shelves or Picketowers. You can purchase them at top prices or rent them (short-term periods possible + no dismantling obligation).
- Specialized storage solutions and vendor-neutral automation consulting now also available in-house

Forklifts and machinery (purchase, rental, leasing)

- Top conditions and key account status for all Prologis customers
- Purchase, leasing or rental of used vehicles as well

Data cabling (purchase, rental)

- Basic structure can also be rented incl. no dismantling obligation
- Individual fine structure, e.g. access points, etc. for purchase

All other solutions required (purchase, financing)

- Prologis takes care of sourcing and advance performance
- Simple collective billing after move-in
- Financing options for investment-intensive topics (from 200K) via ext. partners or ASTI

Move Out and Make-Ready from the current non-Prologis warehouse

- Attractive purchase prices for equipment no longer required
- Conversion, transport, assembly, approval of existing equipment in the Prologis warehouse
- dismantling, repair and relocation management through a framework agreement (as with a general contractor)
