Location

Prologis Park Eemhaven, strategically located at Distripark Waalhaven/Eemhaven in the Port of Rotterdam next to the A15 motorway (Maasvlakte- Ridderkerk) and connected to the A16 motorway which links Rotterdam to Antwerp. Prologis Park Eemhaven is adjacent to the ECT and Uniport container terminals and in close proximity to the Rail service Centre which offers excellent tri-modal European hinterland connections. Rotterdam Airport is approximately 15 minutes away by road, providing excellent national and international connections. All users of Prologis Park Eemhaven benefit from a direct connection to Europe’s largest container terminal and its easy access to the rest of Europe via roads, rail and water. Distripark Eemhaven is also adjacent to the deepsea terminals which enable fast and efficient onward shipments by regular short-sea and feeder services. Several international companies including Nippon Express, Geodis, Neele-Vat, Ziegler and Burger Warehousing already operate from Eemhaven.
