PLENTIFUL. PEACEFUL. PARKLIFE.

At Prologis, we make so much more than industrial logistics buildings; we create the spaces and places where our customers’ businesses can thrive, where employees enjoy coming to work, where communities and nature can flourish. We call it PARKlife™.

Pineham offers dedicated areas of open space, with walking and trim trails, encouraging a healthy lifestyle and providing opportunities for both park employees and the local community to enjoy time outdoors.

People can walk or run around the park’s 3km track, which has benches, picnic tables and even an orchard where people can stop and enjoy spending time in nature. An art sculpture, outdoor table tennis and exercise area also appear along the route, providing plenty of opportunity for rest, reflection and physical activity.

PARKlife™

When you move your business to a Prologis Park, we give you access to our dedicated Property Management Team and a range of Park Services designed to make life easier for you.
