

# Prologis Essentials Rack Removal and Buyback Program

Simplify your move-out process with the Prologis Essentials Rack Removal and Buyback Program—regardless of whether you lease a Prologis building or not.

**Sell Your Unwanted Rack for Cash Today:** Our certified technicians will inspect your rack, and depending on the condition, provide a cash offer to buy your racking upon move out. Down payment incentives are also available for select racking before your move-out date.

**Operational Convenience:** Stay operational through the very last day of your lease, and let us remove your racking and repair the floors *after* you vacate.\*

**Rack Relocation Made Simple:** Prologis' network of vendor-partners can assist with the relocation, sourcing, design and permitting of racking at your new facility—even if it's not owned by Prologis.

**Turnkey Liquidation Services:** We can assist in the liquidation of forklifts, mezzanines, conveyors, generators, office equipment, and a wide variety furniture and fixtures. Our partners can also facilitate repairs to flooring, building columns, drywall, dock doors and more!

\*Available only in Prologis buildings.

**For a limited time only, sign up for a for a free initial inspection!**
