This Tile & Stone™ product has been manufactured in accordance with industry standards. All first quality Tile & Stone™ from the Company is warranted to be free of defects in the quality of the product for one year from date of purchase. WHAT SHAW WILL DO SHOULD YOU NEED WARRANTY SERVICE

Should a defect covered under this warranty be found, the Company will authorize the affected area to be repaired to conform to the warranty. The Company will provide tile and stone for replacement or repair of the affected area, at its option. Due to inherent variations associated with quarried stone and naturally fired Tile & Stone™ products, color and texture variations from samples should be expected. Prior to installation, tile and stone should be approved by customer. No claims for shade or texture will be honored after installation.

If professionally installed, and the defect was not visible before or during installation, the Company will pay the reasonable labor costs to perform the replacement or repair during the first year warranty period from the date of original purchase. In the event that the color installed is no longer available, the Company will authorize your dealer to replace the affected floor with another Company product of equal value. The above described remedy is the purchaser's sole and exclusive resolution for claims under this limited warranty.
